Ministry of Labor

GUILLERMO LASSO
PRESIDENTE

REGULATIONS

Constitution of Ecuador and the **Organic Law of Human Mobility**: refugees and asylum-seekers are granted access to work (in all its forms) and social-security in Ecuador, with no difference to Ecuadorian nationals.

The **Labor Code** does not make specific reference to migrant workers and although this can be considered a gap in terms of the human mobility approach, it must also be interpreted in the sense that **ALL WORKERS HAVE THE SAME RIGHTS, DUTIES AND OPPORTUNITIES.**

PUBLIC SERVICES

SERVICE COUNTER for people in Human Mobility

GOAL

The email address migracioneslaborales@trabajo.gob.ec is available for consultations on labor matters exclusively for the attention of this population segment.

Technical and qualified staff provide advice at the Ministry of Labor facilities, Monday through Friday, from 8:00 a.m. to 4:45 p.m.

LABOR INSPECTIONS for persons in Human Mobility

Control of compliance of the rights of foreign workers through the practice of inspections.

COOPERATION AGREEMENT

BETWEEN THE MINISTRY OF LABOR
AND THE INTERNATIONAL ORGANIZATION FOR MIGRATION - IOM

GOAL

To implement programs that allow institutional strengthening, through training, strategic alliances, development and implementation of services for people in human mobility.

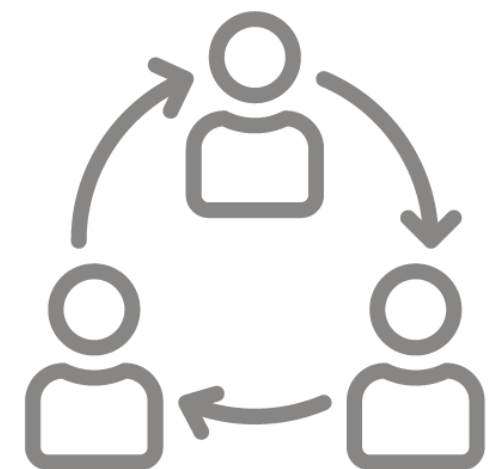

AGREEMENT

BETWEEN THE MINISTRY OF LABOR AND
MINISTRY OF FOREIGN AFFAIRS AND HUMAN MOBILITY

GOAL

To promote labor inclusion within the framework of labor policy, strengthening public and private actors and through the exchange of technical experiences that promote employment and reduce unemployment and that in turn guarantee people in human mobility full respect for their rights and the enjoyment of a healthy and freely chosen or accepted job
